## Basic Term Life (automatically enrolled)

**1.5x** your annual earnings

Maximum coverage: **\$50,000**

- Includes a matching AD&D benefit
- At age 70, coverage reduces to 65 percent of the amount in effect prior to age 70.

## Why do I need life insurance?

- **Group Term Life insurance** can protect your family's financial future from the unexpected loss of your life and income during your working years.

Life insurance proceeds can be an important tool in helping your family afford final expenses, such as funeral and medical bills, as well as day-to-day financial obligations.

- **Accidental Death and Dismemberment (AD&D) insurance** provides additional financial protection if an insured's death or dismemberment is due to a covered accident, whether it occurs at work or elsewhere.
