Save on a natural path to good health

Here's a way to take advantage of services and products that health plans may not cover.

With natural products and services discounts, you can save on massage therapy, over-the-counter vitamins, online provider consultations and so much more.*

And the discounts are easy to use. There are no referrals, no claims forms and no limits on how many times you can save.

You get these discounts at no extra cost

They are available to you as part of your Aetna health benefits and insurance plan. Family members may be able to take advantage of them, too.

Plus, it's easy to get started. Once you're an Aetna member, just log in to your secure member website at www.aetna.com to start saving.

**Discounts that can help you relax,
recharge and save.**

*If your plan covers any of these services, figure out your plan costs before using these discounts. You could pay less that way.
