

MyChart

Free access to health information 24/7

With **MyChart** - *a convenient, secure and confidential resource* - you have access to your personal health information from any computer or mobile device at any time.

Use MyChart to:

- refill and track prescriptions
- view your immunization records
- view your list of allergies
- view lab and test results
- review your health record to understand your personal wellness
- click on your current health issues, allergies or medications to learn more about each topic from the National Library of Medicine
- send secure messages to your provider's office
- schedule appointments online
- and much more!

All of this is also available with the MyChart app!
