Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Network Facility/Network PCP: \$0 Network Specialist \$1,800 Individual/\$3,600 Family Out-of-network: No Coverage	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible. <i>Out-of-network services – must receive referral from Dean Health Plan</i>
Are there services covered before you meet your deductible ?	Yes	Wellness and preventive care is covered at 100%, not subject to the deductible.
Are there other deductibles for specific services?	Yes. \$400 per person for prescription drug expenses.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	\$3,800 Individual /\$7,600 Family Limit Out-of-Network: No Coverage Separate Prescription Drug Out-of-Pocket Limit \$1,600 per person/\$3,200 Family Limit	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. <i>Out-of-network services – must receive referral from Dean Health Plan</i>
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charges, penalties for failure to obtain pre-authorization for service, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes	You must obtain a referral from Dean Health Plan for out-of-network providers
Do you need a referral to see a specialist ?	No	You can see the network specialist you choose without permission from this plan.
