Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	Network Facility/Network PCP: \$0 Network Specialist \$900 Individual/\$1,800 Family Out-of-network: No Coverage	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible. <i>Out-of-network services – must receive referral from Dean Health Plan</i>
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes	Wellness and preventive care is covered at 100%, not subject to the deductible.
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$150 per person for prescription drug expenses.	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this plan begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$3,000 Individual /\$6,000 Family Limit Out-of-Network: No Coverage  Separate Prescription Drug Out-of-Pocket Limit \$1,300 per person/\$2,600 Family Limit	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. <i>Out-of-network services – must receive referral from Dean Health Plan</i>
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, penalties for failure to obtain pre-authorization for service, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes	You must obtain a referral from Dean Health Plan for out-of-network providers
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the network <a href="#">specialist</a> you choose without permission from this plan.
