| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <a href="#">deductible</a> ?                                | HSHS Facility/PCP:<br>Individual (Ind) \$0/Family (Fam) \$0.<br>Other Network Providers: Ind \$900/Fam \$1,800<br>Out-of-Network: No Coverage                   | You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.<br><i>Out of network services – must receive referral from Health Choices.</i> |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes   | Wellness and preventive care is covered at 100%, not subject to the deductible.  |
| Are there other <a href="#">deductibles</a> for specific services?              | Yes. \$150 per person for prescription drug expenses.   | You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this plan begins to pay for these services.   |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | Individual \$3,000/Family \$6,000.<br>Out-of-Network: No Coverage<br><br>Separate Prescription Drug Out-of-Pocket Limit \$1,300 per person/\$2,600 Family Limit | The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.<br><i>Out of network services – must receive referral from Health Choices.</i>   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, balance-billed charges, penalties for failure to obtain pre-authorization for service, and health care this plan does not cover.                      | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes   | You must obtain referral from Health Choices for out of network providers  |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No  | You can see the network <a href="#">specialist</a> you choose without permission from this plan.   |
